WEINGUT ANNO 1803

WOHLMUTH®

Chardonnay Ried Sausaler Schlössl 2017

Variety: Chardonnay

Region: Südsteiermark

Village: Kitzreck-Sausal

Single Vineyard: Sausaler Schlössl

One of the most historical and most special single vineyard in Kitzreck-Sausal, around 600 metres above sea level, south-southwest facing and completely open to the alps. Because of that we have the opportunity to harvest in the late of October. Despite the high maturity they save their acidity and finesse.

Soil: blue-black slate

Sea level: 510 to 590 m

Steepness: 55 to 80%

Vinification: Very late and selective hand-picked, slow and gentle whole grapes pressing, spontaneous fermentation in new 500 l casks. After fermentation 18 months on the yeast.

Alcohol: 13 vol.%

Residual sugar: 1,1 g/l

Acidity: 6,1 g/l

Wine description: Green-yellow, silver reflexes. Delicate yeast touch, a swip of ananas, shades of slate, delicate flowerhoney. Juicy, white tropical fruit, cool, delicate stylistics, finessefull acidity-structure, limes on departure, salty style, safe maturing potential.

Enthält Sulfite
